Building confidence, one smile at a time...

## WELCOME TO THE PROJECT ME FAMILY!

Thank you once again for choosing Project Me Modeling to enhance your child's modeling and/or acting training and portfolio. We are very anxious to begin working with your child and assist in their personal and professional growth and development.

The modeling and theater industry is a very fast-moving, competitive, yet profitable industry. At Project Me Modeling, we not only educate our workshop attendees about the industry, we instruct regarding the various aspects within the modeling and acting circuit. We fully embrace the need to develop each child from within, through instilling and building upon the confidence they have or need to succeed. Whether they choose a career in modeling, acting or another field of interest, they will take away key life skills to ensure their individual success in the future.

No matter what type of workshop or individual coaching lesson you choose for your child, our principles and motivation behind our work will remain consistent. Our mission is to assist your child in their personal and professional growth in modeling and acting, and provide a positive atmosphere while doing so. Please take time to review the materials we send home with your child following each session, and we also encourage you to discuss with your child what they have learned during their time with us. Your involvement is, and will continue to be, an integral part of your child's life and career.

Lastly, our primary goal is to work cohesively with parents to ensure your child will be in a safe and secure environment at all times, and our program components are fully visible and jointly agreed upon between you as parents and our professional staff. We highly encourage you to let us know of any questions or concerns you may have regarding your child's professional development, and we welcome any feedback you may have regarding our various workshops and programs. Thank you again for choosing Project Me Modeling, and we look forward to working with you and your child!

## Project Me Mini Models

Thank you for choosing Project Me Modeling to enhance your child's modeling and/or acting portfolio and capabilities. The Mini Model workshop is a one-day, 3 hour session for the mini models who wish to begin their modeling instruction and portfolio building. Our mini modeling workshop is specifically designed with the young model in mind. This workshop is open to children aged 4-6, to introduce them to modeling and working with a photographer.

Working with children to maintain focus in this age group can be tricky for photographers, and the more we work with this age group, the better photographic results we receive. The Level I workshop series take place during various dates and times, so please monitor our website and Facebook page for upcoming events and schedules. This workshop series is \$250 per child, and include the components listed to the left. If you should have any questions, please feel free to contact us at any time. We look forward to working with you, and helping your child develop both personally and professionally!

### Workshop Components:

- Basic direction
- Self-posing
- Eye contact and movement
- Working with the photographer
- Working with a group and sharing the spotlight
- Portfolio headshot

### What You Will Receive:

- A proofing and portfolio building consultation (2 weeks following final photo shoot)
- \$50 print credit
- Ability to purchase up to 4 digital images for \$10 each
